Why we started this club + Purpose

Spark interest and promote knowledge of economics among members.

Throughout the year, you will see:

- Economics Lessons
- Guest Speakers
- Economics Competitions
- Games & Activities
- Casual Research Projects

The National Economics Challenge (NEC)

- A national economics competition for high-schoolers
- 2 divisions: Adam Smith & David Ricardo
- Teams of 3-5 students
- 3 rounds:
 - State (March - May): at school
 - National Semi-Finals (May): at school
 - National Finals (May): somewhere different every year (i.e. NYC)
- More information to come as we get closer to the competition season!

Membership Points System

- 1 point for every meeting attended
- 5 points for participating in the National Economics Challenge
- 1 point for being the winner of a kahoot, etc.

15 points are required to be an active member!
